A Local History Study
Use the Oldham Panorama to complete the tasks below.

1. Tick this box when you find one of these buildings.

This is an Oldham cotton mill.

2. Draw a mill in the space below.

3. Find the cotton boll (raw cotton from a plant) in the ‘Cotton spinning’ drawer.

Circle the words to describe it:
- sharp
- fluffy
- hard
- soft

4. Tick this box when you find the coal mine.

Coal was burned to power cotton trains and mill machinery.
5  Tick this box when you find the railway line.  
   →  Trains brought raw cotton in and out of Oldham.

6  Draw a train in the space below.

7  Tick this box when you find these houses.  
   →  They were being built for Oldham mill workers.

8  Look in the ‘Cotton workers’ drawer to find the items belonging to the mill workers.
   →  Fill in the letters to identify them.
   c ___ gs  &  sh ___ ___

9  Dress the Oldham mill workers.
